**Summary:** From journalist, activist, and international icon Gloria Steinem comes her first book in twenty years, an all-new memoir of a lifetime of listening and learning from people, traveling America and the world

Gloria Steinem had an itinerant childhood. Every fall, her father would pack the family into the car and they would drive across the country, in search of their next adventure. The seeds were planted: Steinem would spend much of her life on the road, as a journalist, organizer, activist, and speaker. In vivid stories that span an ent...

**Summary:** "[Ada Lovelace], like Steve Jobs, stands at the intersection of arts and technology."—Walter Isaacson, author of *The Innovators*

Over 150 years after her death, a widely-used scientific computer program was named "Ada," after Ada Lovelace, the only legitimate daughter of the eighteenth century's version c a rock star, Lord Byron. Why?

Because, after computer pioneers such as Alan Turing began to rediscover her, it slowly became apparent that she had been a key but overlooked figure in the invention of the computer.

In *Ada Lovelace*, James ...

**Summary:** A heartfelt and wondrous debut, by a supremely gifted and exciting new voice in fiction.

Will has never been to the outside, at least not since he can remember. And he has certainly never gotten to know anyone other than his mother, a fiercely loving yet wildly eccentric agoraphobe who drowns in panic at the thought of opening the front door. Their little world comprises only the rooms in their home, each named for various exotic locales and filled with Will's art projects.

Soon the confines of his world close in on Will. Despite his mot...

**Summary:** In 1917, Barcelona's infamous Raval district is alive with outlandish rumours. A monster is abducting and murdering young children. The police are either powerless to prevent his terrible crimes, or indifferent to them, since they concern only the sons and daughters of prostitutes. But Inspector Moisès Corvo is determined to stop the outrages, and punish their perpetrator. His inquiries take him on a tour of the Catalan capital, through slum, high-class brothel and casino, and end in a stomach-turning revelation.
